Our Branding Proposal

TWO WAYS TO HELP PROMOTE YOUR STORE WITH PACKAGING

 **FOIL STAMPING**
The hot foil stamping uses heated metal stamps or dies to forcefully impress your name or logo onto your packaging choice. The 3D metallic mark stands out, inviting the hand to brush and feel.

 **DIGITAL IMPRINTING**
For an attractive, economical ink solution, we offer 4-color digital printing. Cured and polymerized with UV light, digitally printed insignia resist flaking and fading.

Take a look at *Packaging, Displays and Watchbands 2017*. We put a badge next to all products that can be custom imprinted.
