- When ordering the "Base" (peg mounting without head), please specify "Base" as part of the series number.

Pricing Information

Prices are in U.S. dollars. Prices do not include taxes, shipping, or handling. Actual pricing for items will be determined by the precious metal markets at the time the item ships. Volume price breaks available for some items.

- Most prices listed are suggested retail at triple keystone, with markets at \$1,900 gold, \$1,700 platinum, and \$40 sterling silver.
- Diamond pricing varies with market conditions and is subject to change without notice.
- Pricing for karat gold accented or diamond accented prices are at triple keystone. Karat gold castings, inlays, or diamond total weights of .09 ct tw or more are also priced at triple keystone.

Shipping Information

Most items in this catalog are available for same-day shipping, next-day delivery. Ground delivery service is available for items that are too large or too heavy for overnight delivery to be cost effective. Your sales consultant will discuss alternative shipping options with you when you order. Freight and insurance are billed at the time of shipment.

- **Truck Shipments/UPS/FedEx.** All carriers are responsible and liable for any damages that occur during transit. If you suspect any damage or shortage caused during transit, do not sign freight bill or receipt without making a notation on the freight bill. Retain all packing material and shipping cartons until the carrier has made an inspection. File a claim directly with the carrier within 15 days. Stuller CANNOT file a claim for you.
- **Hazardous Materials Shipping.** The Department of Transportation (DOT) governs the labeling, packaging, and handling of certain materials. These standards increase costs from shipping companies for handling (currently an additional \$20-\$30 to each separate package or chemical). Some of your packaging amounts may change. We continually update our shipping policies and try to minimize the DOT charges where possible. Material Safety Data Sheets are sent with all required items and contain important, safety recommendations and emergency procedures. Additional copies are available by contacting Tools Customer Service. Keep on file for quick reference.

Return Policy

We want you to be happy with everything you purchase from us. If you are not satisfied and need to return merchandise, we will give you full credit, provided you follow these procedures. Stuller is not responsible for returns that are damaged in transit.

1. You must return items for credit in their original packaging materials, unaltered and in resellable condition. Make sure they are packaged securely and insured for full value,
 - within 10 days of invoice date for serialized diamonds, serialized gemstones, and finished jewelry
 - within 30 days of invoice date for everything else
2. Include the perforated Merchandise Return Form from your invoice or the original invoice with the returned items. Please include the reason for return. Merchandise returned without this form or a copy of the invoice may be charged a service fee of \$10.00, or we may return the merchandise to you at your expense.
3. Address your package to Stuller, Inc., Attn: Customer Service, 302 Rue Louis XIV, Lafayette, LA 70508. All returns must be shipped prepaid (No CODs). If FedEx was the carrier, you can use the FedEx PRP label you received with your order. Call FedEx for a pickup. Get your FedEx driver (or desk clerk) to sign and date the form. The shipper's receipt number is a receipt and tracking info. A flat rate \$8.50 will be charged to your invoice on packages less than five pounds and \$1,000 value.
4. Upon receiving your return, we will exchange, replace, or credit. You will receive credit in the same manner as you paid for the merchandise.

Items with manufacturing defects may be returned for exchange. We regret that we cannot accept returns for special order items, Stuller Overstock items, altered items, used tools, videos, cut items, or books. For exchanges, products are credited to your account. The price of the new product will be charged to your account, along with any exchange fee. Be aware that normal shipping charges do apply. Except for specific Stuller programs that make provisions for "conditional sale" merchandise (finished jewelry, large diamonds and gemstones), products cannot be ordered for review. Such returns will be charged a 15% restocking fee. A 15% restocking fee may also be charged for all returns from accounts that consistently abuse the return privilege.

Product Review/Conditional Sale

(Sale with the right to return). Most finished jewelry is available to qualified accounts for your customer's review (limit of two items). Conditional sale merchandise is available for five working days only and must be returned or invoiced at that time. Follow the following procedures:

1. Include a copy of the conditional sale or invoice and use the original packaging for the merchandise.
2. Use the enclosed pre-paid air bill to return items within five working days from receipt of merchandise.
3. Call FedEx at 800-463-3339 to request pickup.

All pricing is triple keystone. All services are considered special orders and are non-cancellable and non-returnable.
